

GO300 INTERMEDIATE INCIDENT COMMAND SYSTEM COURSE

AUGUST 11-13, 2026

KHP TRAINING ACADEMY - SALINA

The goal of this course is to provide training on and resources for overall incident management skills for personnel who require intermediate application of the Incident Command System (ICS).

By the end of this course, students will be able to demonstrate through activities and a final exam, the duties, responsibilities, and capabilities of an effective ICS in expanding incidents.

Target Audience

The target audience for this course is individuals who may assume a supervisory role in expanding incidents. This includes Command and General Staff positions as well as Division/Group Supervisor and/or Unit Leader level positions that may be activated during an expanding incident that typically extend into multiple Operational Periods.
